Re/Max Central Properties

I am the executor of my Mom's estate, and I have one supportive sister assisting with maintaining the property until we can sell it. Stacy was recommended to us by our estate lawyer, and she's been a big help. She provided immediate feedback from potential buyers on what would sell the house, in a buyers market. We made the changes, and got close to our asking price. Stacy provided us a lot of exposure, and suggested a business to strip and buff our hardwood floors.

Her suggestion worked out well for us, and we recently closed on the property. She is a courteous and caring professional that I would highly recommend to anyone.

Sincerely,

James McLendon
